Please have an adult with you as you take part in the challenges. You must be a registered member of a Pathfinder club to take part.

**Windsor Castle - 20pts**

The original castle was built in the 11th century after the Norman invasion of England by William the Conqueror. Since the time of Henry I, it has been used by the reigning king or queen and is the longest-occupied palace in Europe. St George's Hall is the biggest room in the Castle. It is 55.5m long and 9m wide and can seat up to 162 for a State Banquet.

Walk 1,458 steps each day, which is the width of St. George's Hall multiplied by the number of people that can be seated for a State Banquet (9m x 162 people).

Tick each of the boxes here as you complete your daily steps. When all boxes are ticked, you have completed this part of your challenge.

DISCLAIMER: It is very important that you warm up and down properly before you begin any type of exercise, as cold muscles are easy to strain. It is also important to consult a physician if you have any type of condition that could affect your health when exercising.

**Isle of Wight - 20pts**

The largest island in England, the Isle of Wight is located off the South coast of Hampshire. It is the site of the very first radio station, established by Marconi in 1897. The service between the island and the mainland is the only remaining public hovercraft service in the world. The island measures 22.5 miles (36 km) from East to West.

Complete 11 miles (by any of the following means: swimming or running or cycling or jogging or hiking) over the challenge period in a virtual half length Isle of Wight challenge. Tick off the miles in the boxes. Once you have ticked them all, you have completed this part of your challenge.

Create a journal for 7 days during the challenge period based on the first days of the world - the 6 days of Creation and the first Sabbath. Draw examples or cut out and glue in pictures from magazines of items created on each day and write out the verses somewhere on the page. Use bright colours (crayons, pencils, watercolours, mosaic style, etc.) to make it as colourful as possible.

For day 6, you can include a photo/drawing of you and your family to remind you that you are a very important part of God's creation too! Don't forget that God created the Sabbath day on the 7th day. What does the Sabbath mean to you? Show your journal to your club director to complete this challenge.

**Colossus Machine, the Jurassic Coast, Buckinghamshire - 20pts**
